**ELECTION WITH AMENDMENT**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In the office action of May 20, 2003, the examiner has requested that the applicant elect from Group I, consisting of claims 1-4 drawn to a cassette positioner; Group II consisting of claims 5,6, 10-13, and 18-20, drawn to an upright fastening mechanism; Group III consisting of claims 7-9 drawn to an adjustable plate mechanism; Group IV consisting of claims 14-15 drawn to a turntable latch mechanism; and Group V consisting of claim 21 drawn to a child positioning apparatus.
